

Situation Report - Incident of December 5, 1968.

Return to office, after lunch, at about 2:20 p.m.

Five black students in office - additional one joined them about 2:40 p.m.

These students had been asked by Mrs. Sinden to wait in reception area, but insisted on waiting in my office.

Accusations of racism in Sir George - particularly directed to Prof. Anderson in Biology Department.

This accusation had been raised in April, 1968, and had been dealt with by Dean Madras (Dean Flynn involved in problem).

Accompanied students to office of Chairman, Biology Dept. , Hall Bldg., at about 3:20 p.m.

I had been informed that the students were going to "remove Prof. Anderson." They pressed that I, as Principal, must take action about this matter.

I Biology Dept. Office, I stated that I could not take action without consultation with the Sir George AUT and other appropriate officers.

I met with Council of Sir George AUT in adjoining room.

They had just completed study of process for dealing with complaints against faculty members and suggested this might be followed.

Two members of AUT Executive agreed to present procedure to complaining students as method to deal with complaint.

At 5 p.m. I was able to contact V.P. (Acad.) and Dean Madras to discuss problem with them.

In meantime Prof. Davis of Ed. Dept. and Mr. Bucher, of Negro Association, had been drawn into discussions with students.

After further discussion involving DBC, Dean Madras, Dean Flynn, decided to establish investigation committee (Prof. Anderson present during discussion).

Prof. Anderson asked to be relieved of duties until investigation completed.

Come back to discipline of students - see MF.
